Algebra 1, Ridgeview High School, Room 314

This class will meet daily in room A314. As part of this class the students will be taught skills associated with Algebra 1. These skills include, but are not limited to the following:

- ❖ Linear Equations
- ❖ Simplifying Expressions
- ❖ Solving Equations and Inequalities
- ❖ Graphing Linear Equations With and Without a Graphing Calculator
- ❖ Solving Systems of Two Linear Equations
- ❖ Factoring First- and Second- Degree Binomials and Trinomials
- ❖ Solving Quadratic Equations
- ❖ Statistical Analysis

Grading

The final grade for this class will be calculated the following way:

- 25% - Participation and Attendance
- 25% - Tests and Quizzes
- 50% - Homework and Classwork

The lowest test grade will be dropped at the end of the grading period.

The lowest homework grade will be dropped at the end of the grading period.

Extra Credit will only be assigned if a student has completed all assigned work and has a need to increase his/her average. Emphasis should be placed on assignments that are assigned during the semester.

Tests and Homework

Homework will be assigned upon completion of a lesson. Students will be given 2 school days to complete the assignment. For example, if an assignment is given on Monday, it will be due on Wednesday. Students are welcome to turn assignments in early if they are complete.

A test will be given at the end of each unit. Students will be given a study guide for the test. If a student completes the study guide he/she will be rewarded bonus points on the test.

Make-Up Assignments

If students miss a day of class, he/she should see the teacher for a copy of the notes and assignments. These will also be posted on the calendar of the teacher page. It will be the student's responsibility to get the assignment from the teacher or off the internet.

Technology

Students will only be allowed to use electronic devices for educational purposes. If this is scheduled to happen, Miss Mullins will let the class know 1-2 days in advance.
